Parental Consent Form
Photographs of Children

7.6.8 ACDS Member Protection Policy

Images of children can be used inappropriately or illegally. The ACDS requires that individuals and associations, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child that is not their own. They should also make sure the parent/guardian understands how the image will be used.

To respect people's privacy, the ACDS does not allow camera phones, videos and cameras to be used inside changing areas, showers and toilets, which we control or are used in connection with our sport.

When using a photo of a child, the ACDS will avoid publishing personal information, such as residential address, email address or telephone number, without the consent of the child's parent/guardian. We will not display information about a child's hobbies, interests, school or the like.

We will only use images of children that are relevant to our sport and we will ensure that they are suitably clothed in a manner that promotes participation in the sport. We will seek permission from the parents/guardians of the children before using the images. We require our State Branches and affiliated Clubs to do likewise.

I confirm that I have read the extract 7.6.8 from the ACDS Member Protection Policy shown above and I undertake to abide by the obligation that it imposes on me as a parent/legal guardian of the above named child.

I confirm that all details below are correct and I am able to give parental/ legal guardianship consent. I hereby consent to a photograph or photographs being taken of the named child and I understand the intended use of these photograph/s.

I also acknowledge that the ACDS, their affiliated Clubs and members are not responsible for providing adult supervision for my child.
