PRESIDENT'S REPORT to AGM 2023

This past year we have seen more Zoom meetings, workshops, forums and general chat sessions than ever before. The individual discipline forums have proved to be a great success and thanks to the Federal Convenors for hosting them. The Federal Council held an open forum that was well supported and brought to the fore some concerns of members e.g., legal expenses and forward planning for the ACDS.

We are very fortunate to have pro-active Federal Convenors for all four disciplines. The driven dressage rule book was updated, the CDE rules are being reviewed, the showing handbook and judge accreditation is under review and pleasure and endurance activities are starting to 'take off' in all States.

The accreditation and re-accreditation of officials is moving ahead under the auspices of the Schools & Training Committee. The Committee is now also responsible to keeping the officials list up to date. Zoom workshops have proved very popular however now that the world is returning to a new normal, there will be more face-to-face workshops etc taking place. Thank you to all the presenters of the various workshops – CDE, dressage and showing.

Gary Docking was the ACDS international instructor for this financial year and what a great success his visit was for all who attended his clinics. The challenge for organisers was arranging travel to all the States and a sincere thank you to all those members who were responsible for getting Gary to the various destinations. Thank you to Gary and to those members who hosted him during his stay.

Members were also fortunate to have the opportunity of having lessons with Boyd Exell and Tor Van Den Berge who were visiting Australia. Thanks to Elizabeth Lawrence and Miriam Bentley for their organisation.

Where would the ACDS be without our volunteers in all facets of driving activities and in the management of clubs and the ACDS. A very sincere thank you to the organisers of activities and events, stewards, officials, coaches, club, State and Federal office bearers and everyone who contributes in some way to the success of the ACDS Not forgetting the wonderful sponsors of our sport for their support.

Thank you to the Federal Councillors for their input on behalf of their States and for the diligence they showed in all decision-making processes.

I would like to express my personal thanks to Tom Dowling, Federal Secretary, for his support and the many hours he dedicates to the management of the ACDS; to Peter Smith, Vice President, for his contribution and support and to Debbie Dunn, our outgoing Federal Treasurer, for keeping our accounts 'on the straight and narrow'.

The driving calendar for the coming year is filling fast and there will be an activity for everyone. Wishing all members well for the coming year whether you are drivers, supporters or volunteers and I thank you for your ongoing support.

Dot Willcoxson
Federal President

The (loss) for the financial year amounted to, (\$34,406)

Going Concern

This financial report has been prepared on a going concern basis which contemplates continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business. The ability of the association to continue to operate as a going concern is dependent upon the ability of the association to generate sufficient cashflows from operations to meet its liabilities. The members of the council believe that the going concern assumption is appropriate.

Notes to the Financial Statements

Australian Carriage Driving Society Inc. For the year ended 30 April 2023

1. Summary of Significant Accounting Policies

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act. The committee has determined that the association is not a reporting entity.

The financial statements have been prepared on a cash basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

Questions from Mandy Lawrence:

Q. The money paid for legal action last year, approximately \$50,000, is that fully paid and is it in the financial statements. There was a difference between what is paid and what is to be paid.

A. ACDS is still to pay \$19,000 and is to be paid at the end of September.

Q. Did Insurance cover the legal costs?

A. Insurance policy covers damages and not legal fees.

Other questions from Mandy Lawrence prior to the meeting:

Q. Why has Federal Council costs increased by nearly \$11,000 from the previous year and how many meetings was this for?

A. This amount was to cover airfares for Federal Council members to meet. There were two meetings in Melbourne in the last financial year. The Executive travelled to Brisbane at Qld Branch request. President and Secretary travelled to WA to attend a branch meeting and the VP travelled to WA to attend a court hearing.

Year before – no travel to any meetings at all.

Q. Can you please explain why meeting expenses are additional to Federal Council meetings expenses and what do they cover?

A. This amount covers the cost of the venue plus accommodation for Federal Council meetings held in Melbourne in May 2022 and March 2023.

Q. What was the 50th Anniversary expense of \$6,300 for?

A. To pay the invoice for the Zilco rosettes. It was not received in time for the previous financial year.

Q. A number of 50th Anniversary rosettes were sold to members. Where is this income shown in the accounts.

A. Was recorded in the previous financial years books.
